

The StarTech.com

Advantage:**Support and Resources:** Single point of contact for all your questions; exclusive online tools and free live technical support**Save Time Sourcing:** A complete selection of high-demand and hard-to-find products from one vendor**Best Value:** StarTech.com products offer the best combination of features and price**Exclusive Resources:** Complete product information and tools available at www.startech.com

2 Port SATA II and 2 Port IDE PCI Express Controller Card

StarTech ID: PEXSAT2IDE2

Finally, the perfect solution for adding SATA and IDE drives to the same system! PEXSAT2IDE2 provides independent channels for two SATA drives, as well as a single channel connection for two IDE devices, with support for RAID 0, RAID 1 and JBOD, allowing you to configure your hard drives to meet demanding storage needs!

Applications and Solutions

- > Ideal for institutions and individuals using both IDE and Serial ATA drives on the same system
- > Great for use with Serial ATA, ATAPI devices, ATA/133, ATA/100, ATA/66, ATA/33, EIDE and IDE storage devices (DVD CD)

Features

- > Compliant with PCI specification revision 2.2, and SATA 1.0 specification revision
- > Connect two SATA drives on independent channels and up to four IDE devices using two channels
- > Supports Native Command Queue (NCQ) on SATA II ports
- > Supports RAID 0, RAID 1, and JBOD
- > Supports SATA II data transfer rate up to 300Mbps
- > Ultra ATA-133 / IDE interface with data transfer rate up to 133Mbps
